Going to high school is probably the most important stage in growing up. It is here that a person meets and experiences new pleasures—the first date, the first dance, and the first kiss. Here the first disappointments are also met and experienced—the Homecoming lost, the curfew broken, and the exam failed. But the memories of high school and the teenage years are not always made by the spectacular events. Lasting memories are also made by just going to classes and talking with friends.

This year the BEEHIVE staff would like to view James Blair in all aspects and seasons. We want to bring back some memories of James Blair High School in . . .

Dedicated to a Half-Century of Service

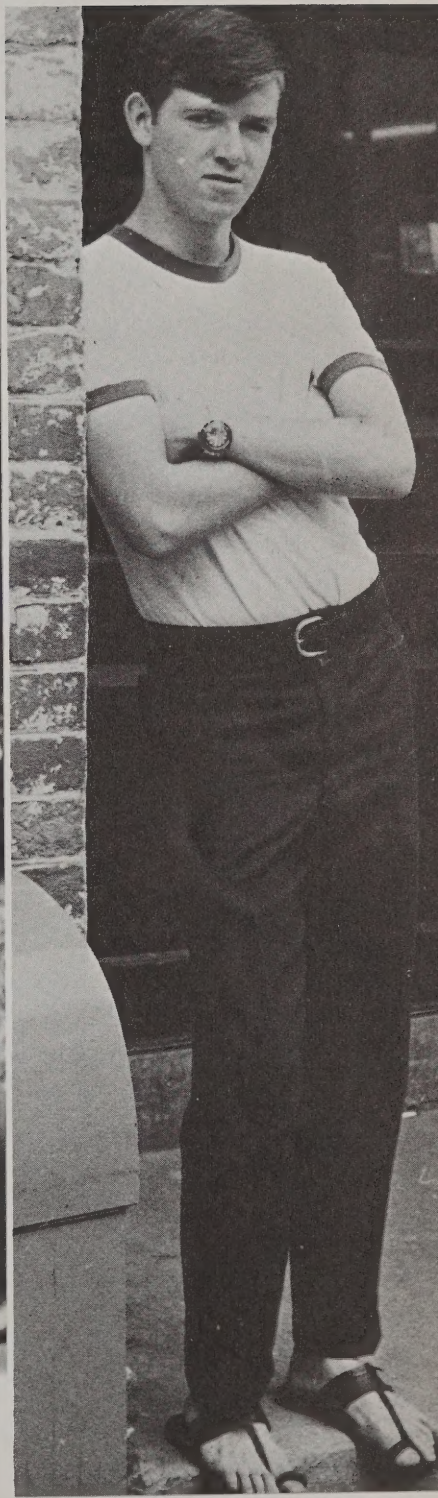

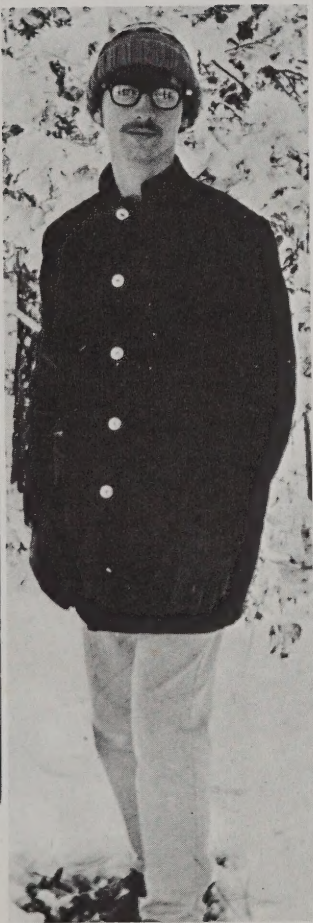

She started teaching at seventeen, younger than most of the Senior class. She taught in a one room school house for eight years. Later she taught at Matthew Whaley and then moved to James Blair. She has taught most of the class in English or reading and thirty of us had the privilege of being in her seventh grade class. From these beginning relationships she has faithfully followed the class in social as well as school events. The Senior class will be leaving James Blair after five years of high school and she will be leaving after fifty years of service. There are few honors we could give to her, few ways we could show our gratitude. We hope that we have found one. The Senior Class of James Blair High School would like to dedicate the 1968-69 Beehive to

HOMECOMING '68 - '69

The excitement of Homecoming was brought to a climax with the completion of the floats, the parade, the game, and the crowning of the Homecoming queen. Hard work was done by all, but it was well worth the effort.

Construction of the floats was begun by each class as they vied for the first place honor.

The Sophomore class winning float:
"Mr. Weatherbee"

The Junior Class float:
"Maroon the Typhoon"
took second place.

The Senior Class float:
"Turn off the Typhoon"

Homecoming candidates were Debbie Jordon, Mia Taylor, Beth Tillotson, Alexis Clark and Louise Glass.

Everyone waited anxiously to see which candidate would become the new queen. To the cheer of the crowds, Mia Taylor was crowned Homecoming Queen 1968.

Yep! It's our S.C.A. Officers! Andy Bradshaw, Cary Sternberg, and Betsy Minor.

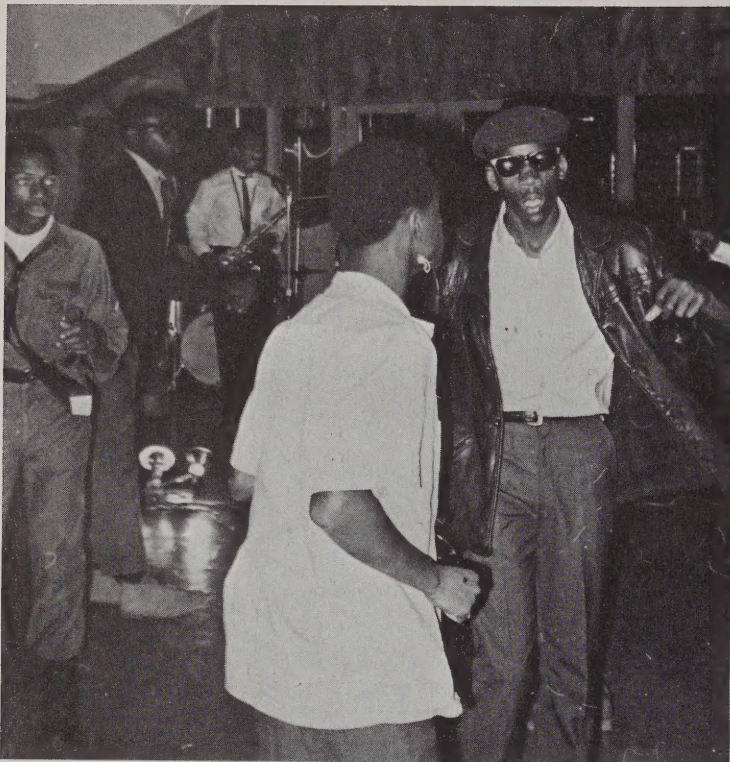

Mary Lassiter chosen as "Miss Varsity"

Mia Taylor and Mike Korczowski during the queen's special dance.

SADIE HAWKINS

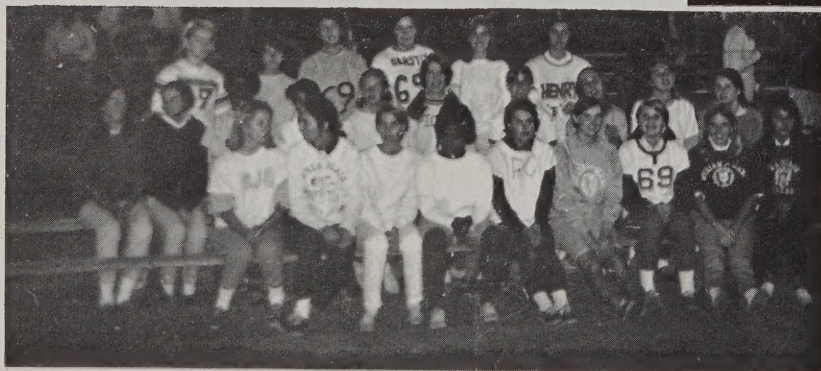

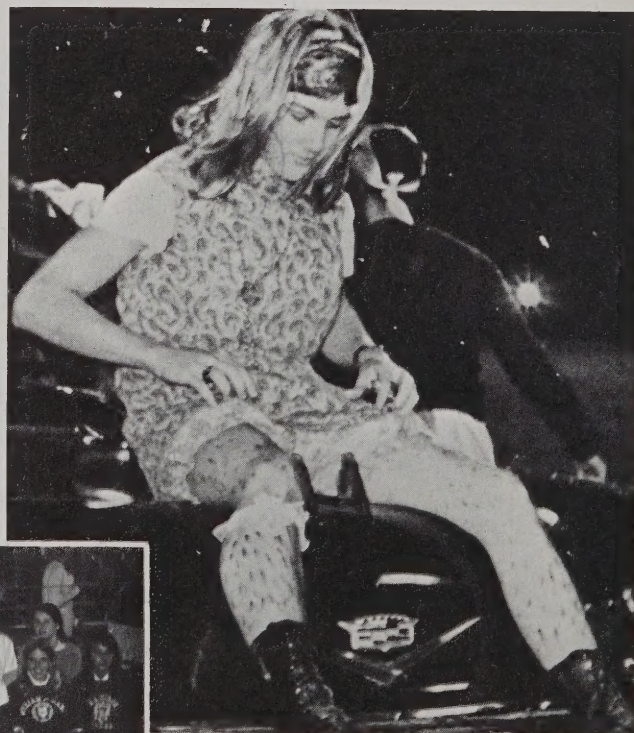

"Dogpatch U.S.A."

The Sadie Hawkins Dance gave the girls a chance to "catch" the boys. Some even got "hitched" that night.

POWDER PUFF

The mighty seniors take time out to pose for their victory picture.

SENIOR HALL OF FAME

The Senior Hall of Fame has become a coveted annual award of deep significance and true distinction. It is a tradition held in high regard by the students and graduates of James Blair. The Senior Hall of Fame was initiated three years ago by the Awards Committee of the S.C.A. to recognize those Seniors who have proven themselves outstanding in their scholastic ability, service to both the school and community, superior leadership, and genuine character. The deserving recipients are chosen by a joint student-faculty committee after due consideration of all the Seniors of the class.

Andy Bradshaw, Iris Judkins, and Barbara Heckel have been chosen as the recipients of the 1969 Senior Hall of Fame Award.

Andy

Andy Bradshaw has been outstanding in every field in which he has participated. He is the President of our Student Council. When he was a Junior, he served the S.C.A. as treasurer. In the summer of 1968, Andy attended Boy's State and was elected as governor. While at Blair, Andy has been an active member of the Debate Club, winning district championships as a sophomore and Junior. As an experienced speaker, Andy won third place in the Voice of Democracy contest. This year he was voted "Most likely to Succeed" by his fellow classmates.

Iris

Iris Judkins has made many contributions to her school and community throughout her high school years. This past year, Iris was our Student Council External Vice President. She is President of her church youth organization at Mount Gilead Baptist Church. Iris has represented her school at home in Student Burgesses and abroad on her trip to Europe sponsored by the N.A.S.S.P. Being an honor student, she is a member of both the National Honor Society and Spanish Honor Society. She was president of her Junior class and is active in the band.

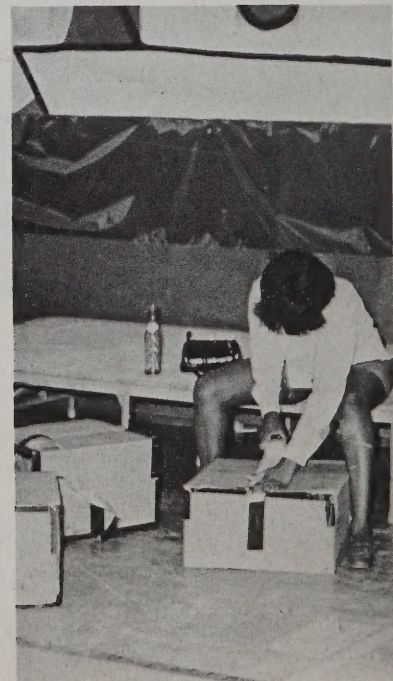

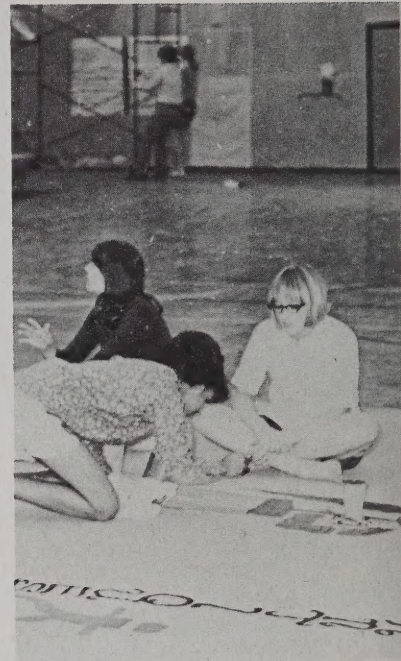

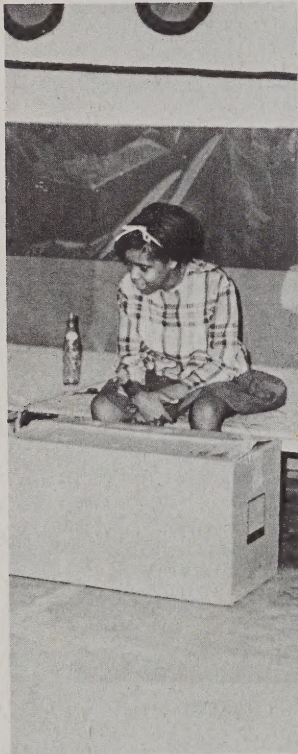

Barbara

Barbara Heckel has worked hard and accomplished a great deal during her two years at Blair. This year she has served as Business Manager of the BEEHIVE and as chairman of the Assembly Committee. She is a member of the National Honor Society and serves as vice president of the Spanish National Honor Society. She was treasurer of the Spanish Club and a representative to the district S.C.A. convention. Last summer, she was a participant in the National Science Foundation summer program at Humbolt State College in California.

Junior-Senior Prom

"New Orleans By Night"

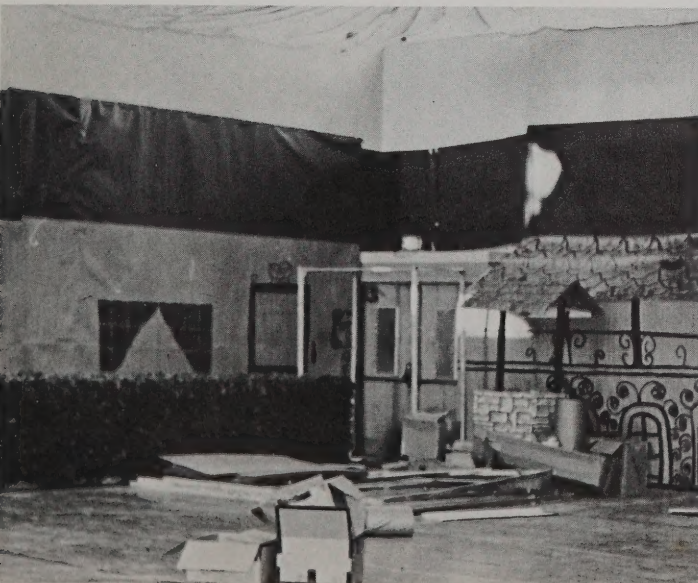

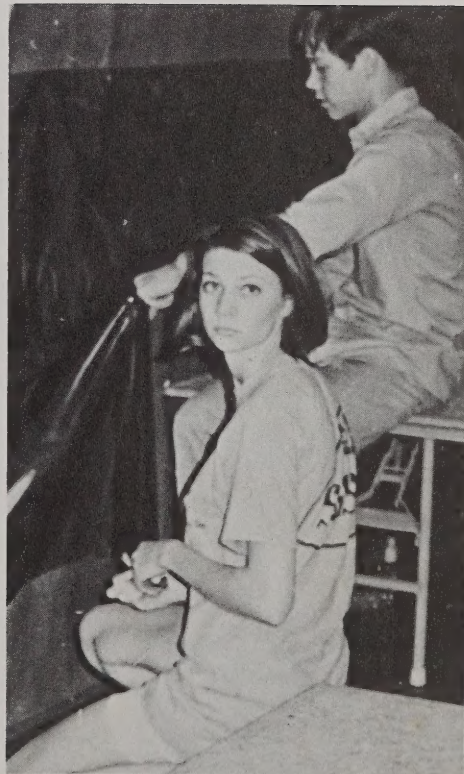

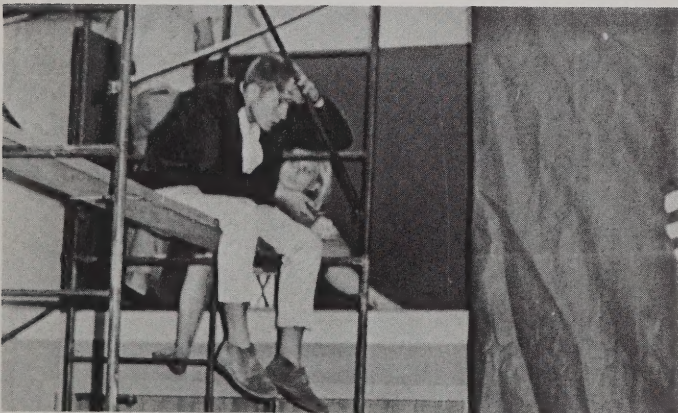

The Juniors selected "New Orleans by Night" as the theme of this year's Junior-Senior Prom. Plans were made, decisions completed, and final construction begun. Hard labor and thorough preparation were evidence of a beautiful Prom. A hearty "Thanks" from the Seniors goes to the Juniors for a great prom long to be remembered.

The Educated Man - Present and Future

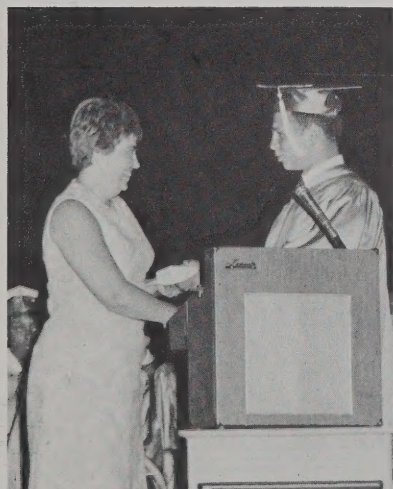

"We have experienced both pride and shame." Andy reviews the past year.

Student speakers, Andy Bradshaw and Bill Rutledge gave their ideas on the educated man—present and future.

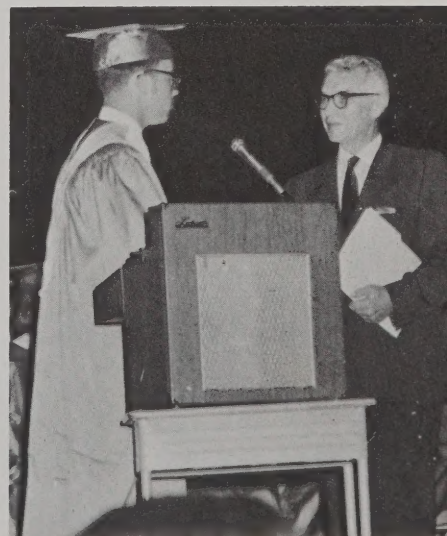

Bill Rutledge, second student speaker.

After transferring the Senior class insignia, Gary Massie presents a gift to Mrs. Linkenauger, Senior class sponsor, showing our sincere appreciation for being a wonderful sponsor, teacher and friend.

Long awaited moment finally becomes reality . . . Steve Blanks receives a diploma and handshake from David Anderton.

Bill Ema presents class gift to Mr. Pitts.

Vesper Services were held in the James Blair Auditorium on the night of June 8. The invocation was given by the Rev. C.P. Minnick of the Williamsburg Methodist Church. The sermon was given by the Rev. J.K. Cobb of Our Saviour's Lutheran Church. The Benediction was given by the Rev. Michael J. Dolan of St. Bedes Catholic Church. The Seniors and their families shared a time of worship and fellowship.

Seniors stand sedately as they wait for their fellow classmates to process in and take their places.

Mr. Pitts, assisted by Dr. Rentz and school board members D. Anderton and C. Powell, prepares to award diplomas.

With the merger of Blair and Berkeley high schools, this year's 1969 graduating class was the largest in Blair's history with 250 graduating. Lake Matoaca Amphitheatre was filled to capacity as family and friends viewed the graduation.

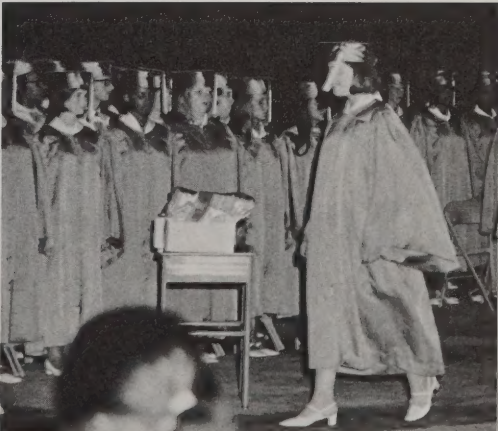

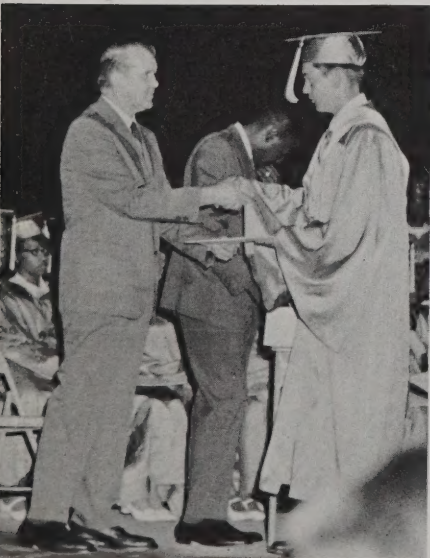

The invocation was given by Dr. Paul Sternberg, President, Temple Beth El; the benediction was given by the Rev. J.B. Tabb, pastor of Mount Ararat Baptist Church and Rising Sun Baptist Church.

Andy Bradshaw, Barbara Heckel, Bill Rutledge, and Lester Lewis receive awards from the P.T.A. for academic excellence.

A TRIBUTE

During a time when young people are questioning the attitude of adults, the 1969 Graduating Class would like to pause to pay tribute to our parents. We are now leaving the two places of greatest influence on our lives—the home and the school.

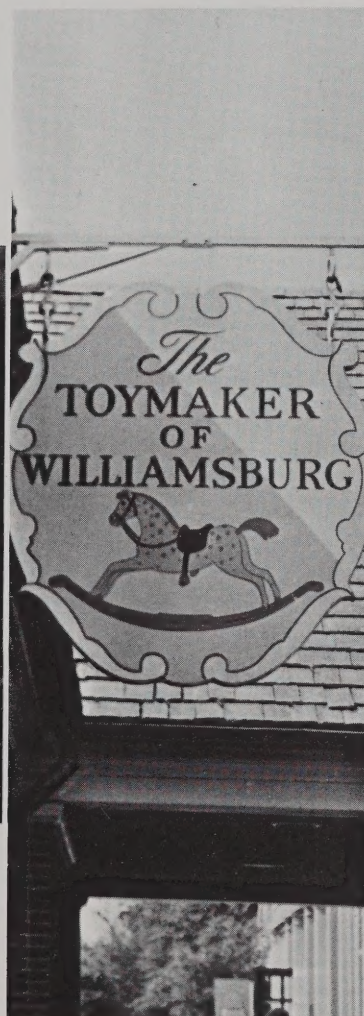

From the lessons that have been taught to us at school we will be able to earn a living in the world. But from the lessons that we have received from our parents, we will be able to see clearly the importance of fairness and integrity in earning a living. Many students have failed despite the efforts of their parents but few have been a success without the pushing and proding of the mothers and fathers. Many times they have provided a strong shoulder to cry on this year.

TO PARENTS

But the parents of the students were concerned enough this year to make us one school. They have become more involved in school activities and organizations than ever before. They have given the cool hand of reason to us when the students were too emotionally involved in a problem to see a solution. They have opened their homes and their hearts to all students. They have been many things to each Senior — our advisors, our adversaries, our leaders, our benefactors, but most of all they have been our friends. For this the Class of 1969 would like to express our sincerest appreciation. May our lives reflect only their highest ideals.

THE PATRONS and YOU

Mrs. Helen Hall would like to wish all the Seniors good luck.
Ruth Ann Hallman thinks that real happiness is a crushed crab and a war guitar.
Good luck to the Class of '71 from Sandy and Mary.

Congrats and lots of love to princess from Ron.
Thanks for the letter jacket JayBees!
Carl Peet is fractious cacophonous, but loves his teachers.

Dear James Blair:

In the past the Editor-in-Chief has written a letter of congratulation to the Senior class and a letter of encouragement to the underclassmen. This has been an unusual year for the entire student body and therefore I have decided to break from tradition and write an unusual letter.

I have listed a number of quotes that may be of use to you in the future.

Grover Cleveland once said, "I feel like a locomotive hitched to a boy's express wagon".

Vergil once said, "What an enraged woman can accomplish".

Aristophanes once said, "By words the mind is excited and the spirit is elated".

Goethe once said, "What we do not understand we do not possess".

Ben Franklin once said, "Blessed is he who expects nothing for he shall never be disappointed".

Disraeli once said, "It is much easier to be critical than to be correct".

Lord Chesterfield once said, "What ever is worth doing is worth doing well".

George Moore once said, "We live in our desires rather than our achievements".

Harry Emerson Fosdick once said, "Democracy is based upon the conviction that there are extraordinary possibilities in ordinary people".

Lord Chesterfield once said, "you must look into people, as well as at them".

May you all have a good and happy life.

Sincerely yours,

Shirley Honeycutt
